This guidance is intended for the assistance of the trainee pilot and duty instructors. It is always good practice to ask the duty instructor for permission to fly, but flying may also be authorised by any HGC authorised instructor. Please note check flights should be an opportunity for development training. Please look at the progress card for ideas of areas of potential further training.

The hours for currency guidance are for **guidance only** and flying is at the discretion of the duty instructor dependant on the weather conditions.
